Reaching the world with the message of the Father's love

May 2004

## We are on the Move with God!

It is that time again! A year ago we were preparing to move the **Women of the Light** meetings from our small living room to a wonderful community room. At that first meeting in May of 2003 we doubled in size.

This month we have the "go ahead" to advertise and we will therefore begin to meet in a conference room at the **Days Inn** here in Elkins! We have found favor with the owner and the staff there and are looking forward to a wonderful relationship with them. **May 11<sup>th</sup>** will be our "moving" date. (**Please Pray for an outpouring of the Holy Spirit and an increase in the Tangible Presence of the Lord!** Pray for many women to come and to be blessed.)

Asking the Lord for yet another "sign" that this big step was really of Him....(ever want to *REALLY* know you are heading out on the right path?) I had a desire to view the room again. Once inside, Jesus caused me to look up to the border in the conference room, and there I saw not flowers, birds, or colorful designs but rather **CONTINENTS!**

**The Women of the Light has a vision to reach the NATIONS!** Wow! God is so very faithful!

Besides all of this, we have contracted with **Main Street Inn** (formally the Bicentennial Inn) in Buckhannon to begin the first branch of the Women of the Light on **June 17<sup>th</sup>**. Again we were met with such warm reception and favor. The Lord has surely gone before us!

We are at full Holy Spirit steam ahead as we work on advertising flyers, local radio and newspaper announcements, and as we enjoy times of thanksgiving for all that has been done in **less than two years** and for all that the Father desires to do for His daughters here in West Virginia, in the USA, and one day in the Nations. Give Him the Glory!!!

Be sure to visit our new web site created again by our nephew and founder of Cosmicegg.com, Mike Aubert. Some revisions are still in the works, but it is 95% looking good ☺ [www.womenofthelight.org](http://www.womenofthelight.org)

## Renewal Gatherings

As an outreach of **Feed My Lambs Ministries**, Randy and I have been holding "Renewal Gatherings". West Virginia is on the verge of revival and the saints know they need to be renewed and refreshed to be able to catch the wave. They want to go deeper in God!

We are excited about what we sense the Father wants to do in these meeting. However, we also want to share what has been happening so that you can more accurately **pray for us**. We have met with some spiritual opposition. At the last gathering something seemed to happen which left both Randy and I feeling literally in the dark about what the Lord wanted to do in the meeting. Randy did push through and gave a powerful teaching on the Father's love and many told us later that they were really touched. Nevertheless, by the end of the meeting we felt totally beaten down.

However, the Lord has shown us that we are still in the **school of the Holy Spirit** and this is a **NEW COURSE**, one we have never taken before. He is holding the plan book and He knows the curriculum. He asked us not to drop out and to just stay faithful. **And so we will!**

Since then we have become more aware of the fact that indeed there are spiritual forces which would love to see us discouraged and defeated. Let's face it the devil does not want people to experience God's love in a real and tangible way.

**On the 15<sup>th</sup> of this month** we will gather again. We know we are called to be carriers of the Father's Heart and called to speak His Word boldly. We sense that "a great door for effective work has opened unto us and there are many (spirits) that oppose us" 1Cor. 16:9. Please **Pray** that "the Gospel of the Lord Jesus may spread rapidly and be honored... 2 Thes. 3:1. **Bind** the enemy in Jesus' Name from effecting us physically, emotionally, financially or spiritually! **Pray** for us to have **Divine favor** and **Wisdom**. **Pray** for a real move of God's Spirit to invade us at the meeting on **May 15<sup>th</sup>** and that all assignments of Satan set against us and the people we are connected to would be broken in Jesus' Name. **Pray** for the Father's Kingdom to come and His will to be done. Thank you for standing with us! To God be the Glory for all He has done and will do!

### The Beach House Inn Retreat....Dennis, MA

Finally, the women's retreat which had been scheduled and rescheduled took place on April 23<sup>rd</sup>. I connected with Vicky Vansickle and together we flowed by the Holy Spirit and brought forth the Word of God followed by a great release of prophetic words for many.

The Father showed us that He wanted His daughters to have fun. I saw a picture of a heavenly playground and felt the Lord invite us to come and play. I saw a slide that seemed to be shaped like a huge ram's horn through which I entered in by the wide end and was playfully pushed through by the power of God to come out the narrow end. Cool! Laughter broke out Friday night and in that atmosphere people were healed of the heaviness with which they had come.

On Saturday I taught on the REST of GOD and on experiencing His tangible presence. The Women then "soaked" for an hour. While resting in the Presence of the Lord many reported such deep comfort and fresh revelation of the Father's love. One gal received a prophetic song. In the evening meeting Vicky shared about God wanting to use ordinary people to do extraordinary things. We had a time of anointing with oil and impartation. Testimonies are coming in to the Glory of God that His girls were really changed and charged during this Retreat weekend!
